

Why Buy A STIHL Edger?

Our edgers offer the reliable performance you expect from STIHL. With a variety of configurations to choose from, STIHL has the right edger for you.

- Excellent balance for great control and comfort
- Easy to adjust loop handle for the perfect fit
- 8" hardened steel blade for longer blade life
- Easy-access to blade for quick replacement
- Easy to adjust depth wheel for easy height adjustment
- Throttle starting lock for easier starting
- Start/run/stop controls on throttle handle for convenience and ease of use
- Mud flap style debris deflector helps to deflect debris away from operator
- Skid plate to protect gearbox from damage

IMPORTANT INFORMATION:

Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your owner's manual before using such products.
