

# Why Buy A STIHL KombiSystem and Attachments?

The STIHL KombiSystem is a complete family of multi-task tools composed of different powerheads and a variety of interchangeable attachments. The split-shaft design lets you quickly change from one attachment to another.

## KM 55 R

Great for use around the home to perform a variety of tasks, from edging to trimming to sweeping.

## KM 55 RC-E

Easy2Start™ model.

## KM 90 R

Designed for landscape professionals requiring more power and torque.

## KM 110 R

A step up for the landscape professional.

## KM 130 R

The ultimate professional unit.

# STIHL KombiSystem Attachments

## HL Straight

### Hedge Trimmer Attachment

Makes it easier to reach those hard-to-trim hedges.

**Optional Shaft Extension**  
Extends shaft by 37".  
Not shown.

## FS Grass Blade

### Grass Trimmer Attachment

Used for mowing heavy grass and weeds. Not for trimming around obstacles.

## BF Mini-Cultivator

### Mini-Cultivator Attachment

A lightweight cultivator for getting into tight places. Ideal for rejuvenation of flower beds and plantings, and for mixing amendments into the soil.

## HL 135° Adjustable

### Hedge Trimmer Attachment

Has the added flexibility of being able to be adjusted 270° (135° working range).

## FCB Curved

### Lawn Edger Attachment

For edging along walkways and planting beds. Adjustable depth control wheel and built-in blade "sight" helps with making the correct cut.

## KW STIHL PowerSweep™

### Sweeping Attachment

The STIHL PowerSweep™ attachment cleans up caked dirt along roads and sidewalks, moves pebbles and sand in turf, as well as water and light snow along flat surfaces.

## FH 135° Adj. Power Scythe

### Grass Trimmer Attachment

Unique grass and weed trimmer for precision trimming. The grass "lies down" after it is cut. Ideal for parking lots and tight trimming conditions.

## FCS Straight

### Lawn Edger Attachment

Straight shaft edger delivers more power to the cut. Depth control wheel, as well as open guard design.

## KB Bristle Brush

### Bristle Brush Attachment

Ideal for sweeping paved surfaces. Comes with large deflector.

## FS Line Head

### Grass Trimmer Attachment

Uses the dependable AUTOCUT® head. Designed for mowing and trimming around obstacles.

## HT Pole Pruner

### Pruning Attachment

Makes quick work of pruning trees and shrubs. Side-access chain tensioner makes it easy to adjust the chain. Oil tank cap with retainer helps keep you from losing the cap.

**Optional Shaft Extension**  
Extends shaft by 37".  
Not shown.

### IMPORTANT INFORMATION:

Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your owner's manual before using such products.

**NOTE:** STIHL KombiSystem engines must be purchased with a STIHL KombiSystem attachment. All attachments can be purchased separately.

Are you ready for a **STIHL**®?
